

2014 LEVEL PLAY League

Firstly, welcome to “Ipswich”, “Letchworth” and “Newport” in joining the league.

These inclusions will not only make this year competition harder to win but also even up the number of teams in the “Northern” Group.

This years changes:

- Unlimited time limits, all games to be played to a conclusion;
- All results will be forwarded to the C.A. for inclusion in the national and international GC rankings.

All fixture dates for matches will be shown on the website, so if possible **text results to me directly after a match finishes** - I can then immediately update the website, allowing other clubs to access results as they happen.

Play Hard and Good Luck!!

Jason.
